

3.10 No Smoking

General Safeguarding and Welfare Requirement: Smoking

Providers must have a no-smoking policy, and must prevent smoking in a room, or outside play area, when children are present or about to be present

Policy statement

We comply with health and safety regulations and the Safeguarding and Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor.

Procedures

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no-smoking signs.
- The no-smoking policy is stated in our information for parents.
- We actively encourage no-smoking by sign posting parents and staff about where to get help to stop smoking if they are seeking this information (Advised to visit GP).
- Staff who smoke do not do so during working hours. Unless on a break and off the premises.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
